Looking into going with Fun Services in Tempe. They offer many different packages to choose from. Will do an obstacle course for big kids and maybe add a bounce house for young kids. They will have adults running the bounce house and obstacle course to help keep kids safe from injury. They do not plan to have a petting zoo this year. Plan to have food trucks attend and sell all of the food. We will still sell sno-cones, cotton candy, and popcorn.
 - b. Cookies: Tracy and Andy Milam – Sweet Tooth Fairy closed so they have been getting staff birthday cookies from Rise Up Bakery. They are a little bit more expensive but offer a buy five get one free deal.
 - c. Coyote Color Run: Dan Earl – Unable to attend. He will meet with Christa and Thea on Thursday. We decided to focus our Color Run donations on adding more shade to the school, playground improvements, PE activity equipment such as 9 square, and
